## Policy

It is the policy of NWF Health Network (NWFHN) and all Case Management Organizations (CMOs) to ensure diligent efforts are made to locate parents, relatives and fictive kin when a child must be placed in out-of-homecare. A diligent search to provide notice to the parents of dependency and termination of parental rights proceedings before the court can enter final orders impacting the parent's rights to their child pursuant CFOP 170-1 Chapter 14.

For detailed instructions, please see CFOP, found here:

[CFOP 170-1 Chapter 14](#)

  1. The information should be filled out as accurately and completely as possible.
  2. If the information is unknown, this should be indicated.
