Dear Mr. Borcharding

Subject: Notification of Unsuccessful Bid for RFP 05-2023

Thank you for your recent submission in response to our Request for Proposal (RFP) for Traditional and Enhanced Foster Home Development. We appreciate the time and effort your team invested in preparing and submitting your bid.

After a thorough review and evaluation of all received proposals, we regret to inform you that your bid was not selected for this contract. The decision was based on a comprehensive assessment of each proposal's alignment with our specific requirements, budget constraints, and strategic goals.

While your proposal was highly competitive, we had to make difficult choices and ultimately selected a bid that more closely met our needs in several critical areas. We encourage you to continue participating in future RFP opportunities with us, as we value the quality and professionalism demonstrated in your submission. Further, should negotiations with the selected entity or entities fail to produce a full agreement, we reserve the right to either repost this matter or reach out to you or any other non-selected entity for possible negotiations.

We understand the effort involved in responding to RFPs and want to assure you that your proposal was given careful consideration. Thank you again for your interest and we hope to see your participation in future procurements.

A notice of intent to protest must be filed within the 72 hours listed on this Notice and a formal written protest must be filed within ten (10) days after filing the intent to protest. Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

Sincerely,
