

Faith-Based Provider Teen Meth Prevention Program Grant

1. Grant Description

NWF Health Network (NWFHN) is accepting applications for the fiscal year (FY) 2024-2025 Faith-Based Provider Teen Meth Prevention Program Grant. This grant opportunity, as authorized and encouraged by both the Legislative and Executive branches of the State of Florida, allows NWFHN to partner with local and regional faith-based communities to address mental health and substance use disorder through prevention and outreach efforts, specifically targeting methamphetamine prevention.

These grants will be limited to the eighteen (18) counties in which NWFHN is privileged to serve as the State's Managing Entity. Awarded entities will be provided a limited grant of \$5,000.00 to implement NWFHN's Teen Meth Prevention Program, an established meth prevention curriculum.
