***Virtual Sessions will be held 6-8 pm EST and times for In Person sessions will be announced closer to listed date.. For questions please reach out to tricia.duff@nwfhealth.org or taryn.tasker@nwfhealth.org.

The TBRI Caregiver Training is a 12-hour in-depth look at the 3 guiding principles of the Trust Based Relational Intervention: Connecting, Empowering, and Correcting. Completion of Fostering 301 or TBRI 101 is a prerequisite for the TBRI Caregiver Training. The Connecting Principle training opportunities, both the virtual 2 hour session and the in person 2 hour session must be completed to receive full credit.
