## Team Members of the Month

### Shatigra Howard, NWFHN Purchasing Specialist

Shatigra is an amazing asset to NWF. She always goes above and beyond to help others learn how to complete Purchase Orders, helps amend those needing corrections, helps Accounting with uploading documents to agency P Cards and is an all-around team player. Her humility, empathy, respect and goodwill are seen in her everyday work. Shatigra always works with a smile and lending hand to all sections of the agency. 2<sup>nd</sup> nomination: Shatigra is hardworking woman, dedicated, offering support and ensure the work gets done with excellence. I am admiring her powerful presence and approach to do what's right with strong sense of purpose. She is always offering support whenever needed. I am proud and thankful to work with Shatigra. She is tremendous asset to the agency.

### Sarah Stys, Twin Oaks Case Manager Supervisor

Sarah Stys is an amazing Supervisor and co-worker. She has built her Team up and is always present for them when needed. Her hard work and dedication to this job and to her Team doesn't go unnoticed.

# CCWIS

## What is FL CCWIS?

FL CCWIS is the new FSFN. The Florida Comprehensive Child Welfare Information System (FL CCWIS) is a modernized solution for child welfare services. FL CCWIS supports child welfare professionals by improving efficiency and integrating high-quality data to help achieve better outcomes for children and families.

## Support and the Super Users

A FL CCWIS Super User is a designated expert within the Florida Comprehensive Child Welfare Information System (FL CCWIS) who provides support and guidance to child welfare professionals. Super Users play a crucial role in the system's modernization efforts, helping to validate requirements, provide feedback on functionalities, and ensure the system meets the needs of child welfare services. Their expertise is invaluable for enhancing data sharing, streamlining processes, and improving overall service delivery in child welfare.

## FL CCWIS POSTCARD

**TO:**  
*Our Child Welfare Professionals*

**FROM:**  
*FL CCWIS Project Team*

**Welcome to the December edition of the FL CCWIS Postcard!** In the spirit of the season, we are excited to spotlight our first nominated CCWIS Super Star: **Vanessa Snoddy!**

Vanessa, Policy and Program Manager at DCF, serves as the Licensing Product Owner for the FL CCWIS Project. Vanessa was nominated by Martha Harbin.

*"Vanessa was extremely dedicated and committed to ensuring licensing user stories captured all of the complexities and inter-related aspects of licensing. She put in long hours and weekends and worked cross functionally with other program offices to ensure the system captures the extensive requirements to secure federal funding."* – Martha Harbin

Thank you, Vanessa, for your outstanding contributions to FL CCWIS and the future of child welfare! Recent highlights from Vanessa and the Licensing team include:

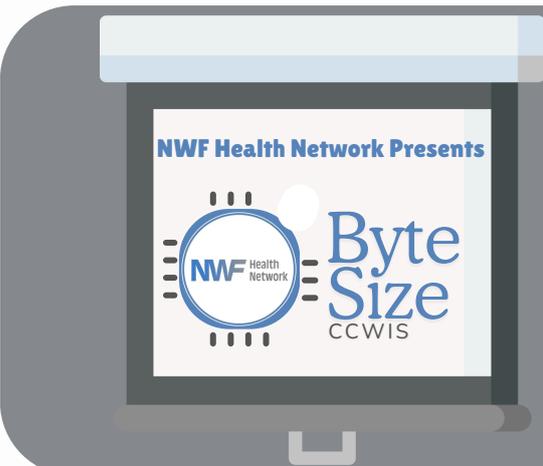

- Recruitment tracking
- The Complaints Repository
- Dashboards to track license and background screening expiration
- A simplified method for transferring multiple foster home between supervising agencies.

Do you know someone who has gone above and beyond on the FL CCWIS project (e.g., testing, championing change, contributing to requirements, etc.)? Nominate your CCWIS Super Star [here](#). We look forward to spotlighting more stars in future communications!

Best, FL CCWIS Project Team

Welcome to Byte-Sized CCWIS, our monthly snapshot designed to give you quick, easy-to-read updates about Florida's CCWIS transition. Each edition takes just a minute or two to read and highlights what's changing, why it matters, and what to expect next.

You'll see Byte-Sized CCWIS every month in the Training Newsletter, the Quality Newsletter, and other internal updates. We encourage you to save each edition and share them with your teams and partners.

Our goal is simple: help everyone understand CCWIS in small, manageable pieces so we're all ready for the changes ahead.
